

ACC OTTAWA CLUB GEAR INVENTORY

Effective: April 2015

ACC Ottawa maintains a small inventory of gear to support club events - notably climbing, hiking, skiing and mountaineering trips and camps. The goal is to save wear and tear on Trip Leaders' personal gear. It is not intended to be borrowed or rented by members for their personal use. The gear inventory varies somewhat over time.

Item	Remarks
Climbing ropes: - Non-dry (7x60m) - Dry (2x60m, 1x55m) - Dry half (2x60m)	Club ropes are primarily intended for club top rope climbing events (rock and ice). Should be inspected before and after every trip. Two year replacement cycle or sooner, if required.
Anchor kits (slings & locking biners) (8+ sets)	For club top rope climbing events. Replaced as required.
Helmets (7)	For use by "newbies" at club top rope climbing events. Club members are responsible for providing their own basic personal climbing gear on regular club climbing trips, to include helmet, harness, locking biner, belay device, personal tether and rock shoes.
Belay devices (5)	As for helmets.
Adult harnesses (10)	As for helmets.
Kids' harnesses (1)	For children attending designated club events under parental supervision.
Crampons (~10 pairs)	For use by "newbies" at club ice climbing events. Club members are responsible for providing their own basic personal ice climbing gear on regular club ice climbing trips, to include crampons and ice axes.
Technical ice tools (5 pairs)	As for crampons.
GMRS radios (8)	Short range handheld radios for intra-team communication.
Large group first aid kit (1)	"Adventure Medical Weekender" FA kit. Intended to be kept at base camp for hiking, skiing or mountaineering camps. Also available for other trips, as desired by Trip Leaders. Topped-up or replaced as required.
Medium group first aid kits (3)	"Adventure Medical Ultralight 0.9" FA kits. Available to be carried in the field by Trip Leaders for Section trips (climbing, hiking, skiing, etc) or by rope teams at Section mountaineering camps. Topped-up or replaced as required.
Miscellaneous first aid supplies	Retired first aid kits and other miscellaneous first aid supplies are available for first aid training.
Water filters (2)	"Katadyn Pocket Water Filters" for group usage at Section camps or on backpacking trips.
